

YOUR HEALTH IS OUR #1 PRIORITY

If you're worried about the Coronavirus (COVID-19), please be reassured that we are following the health and safety guidance as prescribed by the Centers for Disease Control and Prevention (CDC), as well as the local public health department.

These are the actions we are taking presently

Keeping People Safe

- We are using filtered face coverings, gloves and hand sanitizer for the safety of our clients and team members.
- We are actively encouraging sick employees to stay home.

Securing a Healthy Environment

- We are taking measures to promote the 6' social distancing guideline.
- We are disinfecting our business including high-touch surfaces, such as our tools and trucks.

Creating a Flexible Workplace

- We are accommodating employees who become sick, have a sick family member and/or children to care for.

We Need Your Help Too

WE NEED YOUR HELP!

- Please notify us if anyone has experienced any cold or flu symptoms, such as fever, cough or shortness of breath in the last 14 days.
- Please allow us the CDC recommended 6' social distancing while we work.
- Please disinfect door knobs and other such items our men may have to handle.

Services Unlimited, Inc.
